WORK EXPERIENCE

Co-Founder & Chief Finance Officer

Aug 2024 – August 2025

KONFER (Waterloo, ON)

- Co-founded a student-run consultancy and built its financial operations from the ground up, including **MOU drafting**, **partner invoicing**, and **payment reconciliation**, while managing **\$200K+** across event and prize budgets.
- Designed attendee-facing floorplans for large-scale events; HawkHacks, SpurHacks, and a Community BBQ, supporting **800+ attendees** at each hackathon and **~200** at the BBQ, cutting on-site confusion and streamlining logistics.
- Planned and ran two flagship networking events tied to Collision; a breakfast (**~150 attendees**) and a **500-person** yacht after-party, owning logistics end-to-end from venue to day-of execution.
- Produced, edited, and published short-form marketing content for SpurHacks, with one video reaching **972K views** and **60K likes**, driving a spike in registrations.

Order Fulfillment Officer

April 2025 - August 2025

Home Depot (Waterloo, ON)

- Handled daily high-volume order flow in a **fast-paced** retail environment by processing orders through the internal OFA system, while **planning** ahead on **future orders** to stay on top of **peak seasons**.

Website Developer

Jan 2022 – Jan 2024

WOODMAC Inc. (Brampton, ON)

- Designed the **logo, branding, and site theming**, and integrated **Amazon** pricing and product data into the **WordPress** storefront to bring visual and informational parity across both sales channels.

VOLUNTEER & PROJECT EXPERIENCE

VP of Admin & Finance

May 2023 - June 2025

Laurier Computing Society (Waterloo, ON)

- Directed club operations; **finance, hiring, and internal/external affairs**, for Laurier's largest Computer Science club, coordinating execution across departments as the club scaled its programming.
- Ran signature events including **Meet the Professionals**, bringing industry speakers to campus for student networking, alongside **exam review sessions** for first- and second-year students and **LinkedIn headshot days** to support students' job search efforts.

Summerloo

May 2026 - Present

Community Events Discovery Web App

- Built a community events discovery web app for the Waterloo Region using an interactive **Mapbox** map to make local events easy to browse in one place.
- Engineered an automated multi-source scraping pipeline feeding a **Supabase** backend to keep listings current without manual entry.
